Subject: Request for Original and Completed Reclamation Contracts and Completion of  
Letter of Credit, Thirstystone Resources, Inc., Picture springs 1 & 2 and Black  
Ridge 1, S/053/028 and s/053/027, Washington County, Utah

Dear Mr. Haddock:

Please find the signed and notarized reclamation contracts for the Black Ridge and Picture Springs mines enclosed. I am aware that Beth Ericksen is currently working with Kathleen Speirs at PNC bank regarding the amendment to our Letter of Credit. I have instructed Kathleen to name the Division as co-beneficiary and I expect this to be completed soon. I am prepared to approve the amended LOC as soon as PNC bank completes the changes and then forward to your office as required.

I understand that you will notify us of your approval of the reclamation surety as soon as these two steps are complete. Please contact me if you require additional information.

Sincerely,

Pete Raymond
